What we still do not know about the species and how does this limit its effective conservation?

Stoyan Nikolov
BSPB

Key factors for effective conservation

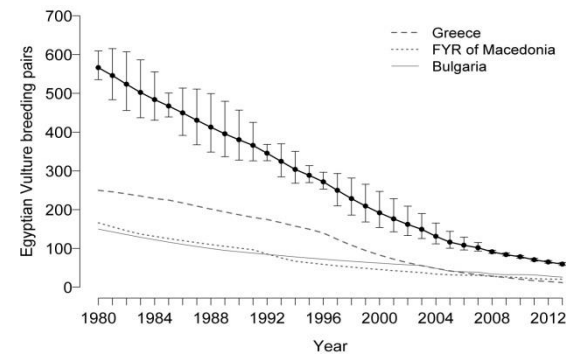

- ✓ Time
- ✓ Knowledge
- ✓ Human capacity
- ✓ Funding
- ✓ Prioritization

TIME is short!

KNOWLEDGE – Status & trends /breeding populations/

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: well known (evidence based)**
- ✓ **Central Asia & Caucasus: poor (estimations)**
- ✓ **Middle East: moderate**
- ✓ **Africa: poor (estimations)**

KNOWLEDGE – Status & trends /flyway/

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: moderate (evidence based)**
- ✓ **Central Asia & Caucasus: poor (estimations)**
- ✓ **Middle East: moderate (evidence based)**
- ✓ **Africa: moderate (evidence based)**

KNOWLEDGE – Survival

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: moderate (evidence based)**
- ✓ **Central Asia & Caucasus: poor(estimations)**
- ✓ **Middle East: poor (estimations)**
- ✓ **Africa: poor (estimations)**

KNOWLEDGE – Productivity

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: well known (evidence based)**
- ✓ **Central Asia & Caucasus: moderate (evidence based)**
- ✓ **Middle East: moderate (evidence based)**
- ✓ **Africa: poor**

KNOWLEDGE – Mortality/threats /breeding grounds/

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: moderate knowledge (evidence based)**
- ✓ **Central Asia & Caucasus: poor (experts opinion)**
- ✓ **Middle East: moderate knowledge (evidence based)**
- ✓ **Africa: moderate knowledge (evidence based)**

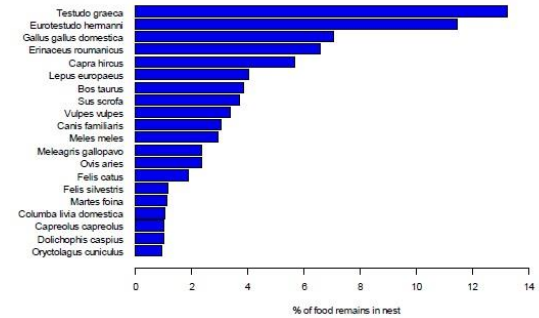

KNOWLEDGE – Mortality/threats /flyway/

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: moderate (evidence based)**
- ✓ **Central Asia & Caucasus: poor (experts opinion)**
- ✓ **Middle East: poor (experts opinion)**
- ✓ **Africa: moderate knowledge (evidence based)**

KNOWLEDGE – Ecology

Overview by regions:

- ✓ **Western Europe: well known (evidence based)**
- ✓ **Eastern Europe: moderate knowledge (evidence based)**
- ✓ **Central Asia & Caucasus: poor**
- ✓ **Middle East: poor**
- ✓ **Africa: poor**

HUMAN CAPACITY

Overview by regions:

- ✓ Western Europe: **extra**
- ✓ Eastern Europe: **enough**
- ✓ Central Asia & Caucasus: **poor**
- ✓ Middle East: **poor**
- ✓ Africa: **poor**

FUNDING

Overview by regions:

- ✓ Western Europe: **available & accessible**
- ✓ Eastern Europe: **available & accessible**
- ✓ Central Asia & Caucasus: **limited?**
- ✓ Middle East: **limited?**
- ✓ Africa: **limited?**

PRIORITIZATION

Overview by regions:

- ✓ **Western Europe: know what to DO**
- ✓ **Eastern Europe: DOING but do not know what ;)**
- ✓ **Central Asia & Caucasus: doesn't DO**
- ✓ **Middle East: DO regionally**
- ✓ **Africa: doesn't DO**

A good example:

Thank you for the attention!
